

Theologian Lauds Times For Faithfulness, Dependability, Integrity At Annual Dinner; 3 Honored For Long Service

The Gettysburg Times was commended for "three outstanding sterling qualities: Faithfulness, Dependability and Integrity" by Rev. Thomas J. Kilcullen, LL.M., J.C.D., rector of Mount St. Mary's seminary, Emmitsburg, at its tenth annual employees and their families dinner at the Hotel Gettysburg, Monday evening.

Expressing his appreciation "for the privilege of addressing you" Rev. Mr. Kilcullen said:

"I have come simply to praise the Times family because in this age when men's activities are hampered by the uncertain circumstances around them; when the world seems to be moving to a somewhat uncertain social future; when fear, either knowingly or unknowingly, forms a basis of action then it is praiseworthy to find a newspaper family of this size with such a long record of commendable service on the doorstep of this New Year."

Text of Address
Father Kilcullen's address follows in full:

Mr. Chairman, Honored Guests, Ladies and Gentlemen:

I am deeply grateful for the privilege you have given me tonight to speak to The Gettysburg Times Family at its Tenth Annual Banquet. I find it a privilege when men will want to honor men. That is precisely the note of family life and it is the keynote of these annual banquets. It is true that the opportunity is presented for employer and employees, with their relatives and friends, to gather at a common table in a festive mood. But this gathering represents something more than men and women eating. Here tonight is set forth the work of something, in a way, far beyond purposed accomplishment. An amalgamation of effort to a worthy end has resulted in a human bond of lasting affection.

To be a member of a family does not mean simply that one receives a consideration of a security nature for effort expended. Both employer and employee must be treated as something other than the giving end and the getting end. And in this family we find a quality that distinguishes the group from a mere employer-employee relationship. Consideration for each other while doing the job to be done is the thing that cements people together. It is what makes a family a Good Family.

"Privilege" To Speak
Therefore, the opportunity afforded me tonight can rightly be called a privilege and I have a justifiable pride in having been chosen your speaker.

I have, then, decided to talk to you tonight with your kind indulgence about OUR COMMUNITY PRESS AND THE MEN AND WOMEN BEHIND IT.

I have come simply to praise the Times Family because in this age when men's activities are hampered by the uncertain circumstances around them; when the world seems to be moving to a somewhat uncertain social future; when fear, either knowingly or unknowingly, forms a basis of action then it is praiseworthy to find a newspaper family of this size with such a long record of commendable service on the doorstep of this New Year.

And the people of this community can be rightfully proud of you, I believe, because you project yourself into our lives with three outstanding, sterling qualities. I believe them to be: Faithfulness, Dependability and Integrity.

Human Faith
In my calling, I am accustomed to speak of the virtue of faith—faith in the supernatural order. (Continued on Page 7)

New Country Club Golf Pro Introduced

BANK SWINDLER CAUGHT DEC. 30 IN MISSOURI

State Police said Monday they had learned of the arrest in Missouri of Stanton P. Snyder, wanted on charges of swindling banks in Fairfield, Emmitsburg and nearby areas of Southern Pennsylvania through phony cashier's checks.

Police said they were notified Snyder was picked up at Springfield, Mo., December 30 by sheriff's deputies.

Snyder is accused of opening an account with a \$3,500 check at the Farmers State Bank in Emmitsburg, Md., August 27 and then withdrawing \$1,000 of the amount. Police said the cashier's check was made out in the name of a Kansas bank which did not exist.

To Press Charges
The same method was used to obtain \$500 from the First National Bank at Fairfield, \$300 from the bank in New Holland, and \$300 from one in Elizabethtown.

At the Fairfield bank today, officers said the bonding company that insured the bank's loss and repaid to the bank the \$500 the swindler got last August 26 has been notified and has advised the bank it will prosecute Snyder.

The FBI said Snyder is wanted in Ohio, South Dakota, Iowa, Kansas and Missouri in addition to Maryland and Pennsylvania. The FBI also said Snyder escaped from Detroit jail June 7 while serving 2 to 14 years for embezzlement.

The FBI has announced Snyder probably will be taken to Philadelphia to face check charges.

FLUORINATION OF WATER IS LEGION TOPIC

A survey of the effects of fluorination of water as a possible method of preventing tooth decay by John H. Long, manager of the Gettysburg Municipal Authority, and the announcement of 12 new members featured the Monday evening meeting of the Albert J. Lentz American Legion Post 202.

Examining the communities in which the fluorination of water has been authorized, Long found that "pressure group" advocacy has brought acceptance in 65 per cent of these places.

He explained to Legion members both the advantages and the dangers of fluorination and stated that, as yet, the State Department of Health has not taken steps to add fluoride to the water supply of the Commonwealth.

Add 12 Members
"Fluorine is a rank poison in any state," Long said, "and it can be classified in the category of iodine, bromine and chlorine. It has been found that fluorination will not help in the prevention of tooth decay of a youngster over 12 years of age."

Long reported experiments now under way are seeking to discover if the custom in the past

Money Order Thief Gets Prison Term

Carroll Eugene Croy, 27-year-old ex-convict who cashed a stolen money order for \$98 here last August 24 and later that day shot a postal clerk in Columbia, Pa., was sentenced to 18 months in prison Monday for the shooting.

In passing sentence in federal court, Judge J. Cullen Ganey described Croy as a "hopeless case with a breaking and entry yen." Croy is from Hamilton Square, N. J. He had been released from Fort Madison, Wis., prison in 1951 after serving six years on charges of breaking and entering.

Last August, William W. Sample, 52, the postal clerk, recognized a stolen money order which Croy was attempting to pass. Sample held a gun on Croy and shouted for a fellow employee to call police.

Croy and Sample tussled over the gun and Sample was shot. He was released from the Columbia Hospital only last month. The money order was one of 49 Croy had stolen from three New Jersey branch offices earlier last year.

MANY HOMES ERECTED HERE IN LAST YEAR

More new homes were built in Gettysburg last year than in 1952 and more money was spent on construction and alteration of business establishments, according to a report made by Burgess William G. Weaver at Monday evening's meeting of borough council.

Weaver told council he had issued 101 building permits for construction valued at \$688,231 during 1953. Of that amount \$258,650 was to be spent for construction of 22 new homes in the town. In 1952 permits were issued for 18 homes valued at \$200,500.

The permits reveal that the cost of construction of the average house in Gettysburg increased from 1952 to 1953. In 1952 the average cost for the 18 houses was \$11,139. In 1953 the average was \$11,757.

Businesses Expanded
The amount expended in 1953 for new construction and alterations, \$688,231, was more than \$200,000 more than the \$432,240 listed on the 157 permits issued in 1952. It was less than the \$846,225 which

GIRL DIES OF MENINGITIS

Paula Marie Minchhoff, aged two and a half years, daughter of Mr. and Mrs. Paul J. Minchhoff, 135 Hanover St., died at the Warner Hospital Monday evening at 11 o'clock, 11 hours after her admission.

Death was caused by meningitis. The child was taken sick Saturday evening.

Surviving are the parents; two brothers, Frederick Thomas and Christopher Carl, and three grandparents, Mr. and Mrs. Frederick T. Rider, Gettysburg, and Mrs. Matilda Minchhoff, Pottsville.

Private funeral services at the Bender Funeral Home Thursday afternoon at 2:30 o'clock conducted by Fr. Anthony Kane, rector of St. Francis Xavier Catholic Church. Interment in St. Francis Xavier Cemetery.

COMMITTEES IN UPPER ADAMS SCHOOLS NAMED

Committees for the coming year were named by the Upper Adams Joint School System at a meeting Monday evening at the Biglerville High School.

Rowe M. Martin, president of the joint board, was named chairman of the Executive committee, following precedent. Others named to the Executive committee included Dr. Raymond Hale, Lloyd Garretson, Paul Crum, George Schriver, Lloyd Kleinfelter, Oscar Rice Jr., J. F. Kanagy, Freeman Kuntz, Robert C. Lott, John Mansberger and George Weaver.

O. C. Rice Jr. was named chairman of the Property committee which also includes M. E. Knouse, Luther Horick, M. O. Deardorff, John Pitzer, Guy Deardorff, Dr. Hale, Kenneth Alwine, and Paul Crum. The committee will meet January 20 at 8:30 a.m. to make a tour of all the property owned by the joint school districts. The committee is also scheduled to study all of the fire insurance policies covering the school property and equipment and make recommendations on any changes.

Other Assignments
Carl Taylor was named chairman of the Transportation committee with Pearl Wenk, L. W. Garretson, Kenneth Alwine, Freeman Kuntz, Paul Pitzer, Hiram Rex and John Mansberger as members.

FEWER PARKING FINES CUT INTO TOWN RECEIPTS

Burgess William G. Weaver's office secured \$31,713.80 for the borough during 1953 according to a report made by Weaver to the borough council Monday night.

The amount showed a decrease from the all-time high of \$37,259.70 collected in 1952.

Fewer parking fines and fewer digging permits accounted for the drop in revenue. In 1953 the parking fines totalled \$1,456 as compared to \$2,327 in the prior year. The \$22,423.75 received from 355 digging permits in 1953 compares to \$27,298 in digging permits of the previous year.

Good Theater Year
The report shows the town's theaters had a better year in 1953 than in 1952. Theater tax collections increased from \$6,034.05 in 1952 to \$6,154.01.

Other income from the borough's office included \$124.65 from four garbage collector's licenses, refunds totaling \$216 from the municipal

STUDY PROBLEM OF REPLACING GAS LINES ON YORK STREET

The possibility of purchasing a new street-sweeper in 1954 and the difficulties of replacing all of the gas lines on York St. were among matters before Gettysburg Borough Council at its Monday evening meeting at the fire house.

Julian Estep, manager of the local Manufacturers Light and Heat Co., outlined to council problems concerning gas lines on York St. The company had been asked by council to get all of its lines in "good shape" prior to the planned resurfacing of the street next summer, to avoid the necessity of "digging up the street" after the resurfacing has been completed by the state Highway Department.

All of the mains on York St. with one exception are "good," Estep told council. The exception is a section crossing Fourth St. that will be replaced in about 60 days, weather permitting, Estep said.

Service Lines Inadequate
He added "the majority of the gas lines on York St. are not mains but service lines running to the homes from the mains. That problem is complicated by the fact that about 60 per cent of those service lines are inadequate for the use being made of them. But we have no way of forcing the residents to change the service lines to their homes. The only way we can get at it is if they leak. And it is surprising how good some service lines put down 30 or 40 years ago still are."

Estep said only about 40 per cent of the service lines to homes on York St. are "up to what we consider minimum standard, or 1 1/4-inch pipe. At one place we have four families receiving gas from a 3/4-inch service line. Frequently we find one one-inch service line, sometimes even a 1/2-inch line running between two houses and then dividing to serve the two homes."

Wants Relief From Fees
The gas company said its organization "will probably go along with placing new service lines from mains to the sidewalk where necessary, if we don't have to pay the full permit fee and replacement amounts. To do so would cost the company about \$15,000 to \$20,000 which is a fair-sized layout. But if we could do it without paying some of those fees we probably could work it out, although it would probably result in some poor plumbing jobs at certain locations."

Council President Oyer asked whether the residents along the street would not replace the service line into their homes at the present time if notified of the need and the fact that no digging in the street will be permitted for some years. Estep held that "many would, but some would not."

Plan Conference
Borough Engineer Winebrenner was asked to arrange a meeting "this week" between Estep, Winebrenner, members of the highway committee and ordinance committees and state highway engineers "to work out a plan that would give the gas company a chance to change these lines without too great expense before York St. is resurfaced."

To permit the company to place the mains without the usual fee will require a new ordinance covering the situation. Both council and Estep pointed out that it would be unfair to charge the gas company the full fee for resurfacing when actually the entire street was being resurfaced by the state and the gas line changes were being made as an accommodation to the borough.

The need for a new street sweeper was pointed out by Winebrenner and Finance Chairman George D. March. Both said the expense of keeping the present street sweeper operating is "too high." Cost of new sweeper was estimated at "\$8,000 to \$9,000." The matter was mentioned in connection with the borough budget which will be drawn up by the Finance committee for presentation at the February meeting of council.

SEMINARIAN WILL Be Given Call

Votes overwhelmingly in favor of calling Robert E. Thomas to be assistant pastor of St. Paul's Lutheran Church, Hanover, were cast by members of the church in elections during services Sunday.

A formal call will be issued to Thomas after the first of February. A senior at the Lutheran Theological Seminary, he has served the church as student pastor.

H. M. Oyer, Baltimore St., was re-elected president of the Gettysburg Borough Council at its organization meeting Monday night at the Fire Engine House. Oyer, a member of council for 19 years, has served all but six of those years as its president.

John H. Basehore was re-elected as treasurer for his seventh term, with his salary set at \$1,200 per year, the same amount he received previously and with his bond set at \$10,000, the same amount as his previous bond.

Mrs. Anna Dracha was named secretary for another term. She has served in that post for nine years, succeeding her husband, Wilmer Dracha.

Winebrenner, Bulleit Re-named
All of the terms of office are for two years, with the council reorganizing every other year when new councilmen are elected.

LeRoy H. Winebrenner was re-named as street commissioner and borough engineer at the same salary he had been receiving previously, \$3,300 per year. He has been borough engineer since 1925.

Attorney Eugene V. Bulleit was re-named as solicitor for council with his retaining fee set at the same amount as last year, \$500 per year.

Raise for Police, Health Officer

Borough police and the health officer were each given a \$200 per year raise, while the amounts paid for special policemen and the borough highway employees remained the same. Council pointed out that the highway employees and special police received a raise last year while the regular police did not.

Under the new pay scale, Chief of Police Jack Bartlett will receive \$3,800 per year. Officers C. W. Culp Jr., Ralph Fissel, Paul B. Shealer, Raymond Menges, and Daniel P. Miller will each receive \$3,000 per year.

Donald Staub, as engine house custodian and fire marshal, will receive \$2,400 per year and as health officer will receive \$600 per year, thus raising his salary from a total of \$2,800 to a total of \$3,000.

New Councilmen Sworn In
Highways Department Foreman Sloan Hott was renamed to that post at a salary of \$3,000 per year. The rate for special policemen and laborers was set at \$1.05 per hour, the same amount as previously paid.

Council set the first Monday of each month as its regular meeting night, with the sessions to start at 7:30 p.m. on all nights except the first Mondays of May, June, July and August, when the meetings will be held at 8 p.m. It also set the hour for the meeting on the first Monday of January, 1956, as 8 p.m. The resolution also provides that if the first Monday falls on a legal holiday the meeting will be held "the next succeeding day."

Three new councilmen and one serving a new term were sworn into

8 COMMITTEES ANNOUNCED FOR 1954 BY C. OF C.

Tentative plans for 1954 activities were outlined and several civic committees appointed during a brief session of the Board of Directors of the Chamber of Commerce, Monday evening, in the Chamber office.

President Mares Sherman presided over a discussion which examined methods and proposals for the promotion and accommodation of additional industrial firms in Gettysburg.

Mrs. Helen P. Snyder, Chamber secretary, noted that early receipts of dues for 1954 indicated a probable membership of 100.

Sherman appointed the following standing committees:

Retail Committee, Charles B. Bender, chairman; George M. Zering, Mrs. Ethel Guise, Stover Small, Mrs. Anna Blier, Carl Martz, Herbert Raymond, and L. L. Dietrich.

Other Committees
Membership Committee, Glenn Guise, chairman; Richard E. Deas, John Caldwell, N. A. Meligakes, Charles Lauser, Dr. R. D. Wickerham, Julian Ester, Robert Hartley, William Jacobs, L. E. Smith, and Walter B. Lane.

T. L. NEWMAN IS NEW PRESIDENT OF COUNCILMEN

Thomas L. Newman was elected as the new president of the Fairfield Borough Council at the regular reorganization meeting of the council Monday evening in the directors' room of the First National Bank of Fairfield. He succeeds Harper Hiner, who was named as vice president for the next two years.

Kenneth Sloanaker was re-elected treasurer and Frank M. Moore was named borough secretary for another year.

The reorganization of the borough government began with the administering of oaths to the new and re-elected borough officials. John W. Beach took his oath as the new burgess, succeeding Robert Kleppinger. Frank A. Welker was sworn in as a new member of council and Cleason A. Herring and Thomas L. Newman, re-elected members of council, took their oaths for their new terms. The oaths were administered by Wesley Schaible, a notary public.

Discus Land Purchase
Tax Collector J. Merle Kittinger and Borough Auditor Robert M. Reindollar were not present to be sworn in but will take their official oaths later.

With the new president presiding after the reorganization was complete, council turned to regular business and ordered bills and salaries totaling \$463.55 paid. The month's receipts amounted to \$328.02.

The appointment of standing committees of council was deferred.

The council took under discussion a proposal that the town purchase from the Western Maryland Railroad 1 1/2 acres of land near Maple Springs, west of the town, as the site for a 500,000 gallon reservoir in connection with the development of a municipal water system in Fairfield. Council was told that the railroad is willing to sell the land to the town for such a purpose.

the new future. J. F. Kanagy is chairman of the committee with Arnold Orner, George Shriver, Lloyd Kleinfelter, Roy Heckenluber, Robert Lott and George Weaver as members.

All of the new committees are to begin their work within the next few days in order to have recommendations available for the Finance Committee which will have its preliminary 1954-55 budget ready for presentation at the February meeting of the joint board.

To Re-fill Commission
A report at the meeting disclosed that eight of the 30 members of the joint school commission have either died, moved from the community or become school directors. As a result, the president of each school district in the jointure was asked to recommend the names of a number of persons in his district for appointment to the school commission. The eight to be selected will come from those recommendations. The commission is made up of five persons from each of the six districts in the jointure.

New members of the commission will attend their first meeting at a session of the commission January 28 at the Biglerville High School.

To Probe Vet's Case
Commander Paul E. Anzengruber appointed a committee to look into the recent hunting tragedy in which ex-serviceman, Grant Bigham, Orrtanna, lost his right foot on November 26. The former Korean infantryman required amputation and, according to a communication received by Anzengruber from the Rev. Roger Burtner, pastor of the Mt. Carmel Church, Orrtanna, needs further surgical treatment and an artificial limb. Anzengruber, Joseph Smith and Paul Spangler will decide upon the amount of the Post 202 appropriation.

Atty. Donald M. Swope was named representative to the Adams County Home Auxiliary and appointed chairman of a committee which will look into a proposal from the American Legion Department commander for a new National Cemetery site.

The committee's purpose will be to judge how the project will accord with the local program in Gettysburg. A letter from the chairman of the National Cemetery program, Paul B. Dague, urged that each post give its full support to the proposal.

Present membership of Post 202 now stands at 595.

Yingling Is Elected President Of Littlestown Town Council At Re-organization On Monday

James V. Yingling, Gettysburg barber and Second Ward councilman in Littlestown, was elected president of the Littlestown Town Council at the bi-annual re-organization meeting which was completed in a half hour Monday evening in the office of Borough Secretary Roger J. Keefer, N. Queen St.

Mr. Keefer, who has been borough secretary in Littlestown for 18 years, was elected for another year and John H. Flickinger was retained as borough treasurer.

Charles H. Everhart, chief of police for the last two months, was re-elected to that position and Albert D. Crabbs, who became street commissioner when Everhart left that position to become police chief, was re-named to that office. Daniel E. Teeter was re-elected as borough solicitor. No salary changes were made Monday evening.

Committee Appointed
LeRoy H. Winebrenner was elected for another year as borough engineer.

New councilmen who took their oaths of office Monday evening included: Frank E. Stonesifer, successor to Burgess Rittase on the council; Lewis H. Fox, who was re-elected to council and who was council president for the last two months, and George L. Maitland.

Committee assignments were announced as follows by President Yingling: Street, Charles M. Frock, chairman; Harry T. Harner and Frank E. Stonesifer; Water, Maitland, Harner and Fox; Light,

Stonesifer, Fox and Maitland; Building, Fox, Harner and Frock; Finance, Harner, Stonesifer and Frock, and Safety, Fox, Stonesifer and Maitland.

After the re-organization was completed council adjourned until the date for the regular January meeting when regular business will be transacted. The meeting will be held January 26. Two applications for special borough policemen were referred to the Safety Committee.

created our food supply. Through insecticides and other sprays, through soil conditioners and through weed killers and other aids petrochemicals, plus the use of machinery made possible through oil and gasoline, the farmer has been able to double his production while reducing his acreage. Through improved petrochemicals he will be able to keep meeting the demands of a vastly increasing population.

"And through wrappings from petrochemicals that remain pliable at 40 degrees below freezing, we can freeze more of our foods and keep them in better shape than ever before. And through such wrappings we can prevent food spoilage. Petrochemicals provide cooling agents for refrigerators and air conditioning that not only are not dangerous,

Fifty attended the meeting with President John Teeter presiding. Vice President Roy Hammond, who introduced the speaker, announced that Clark Smith will be in charge of a forum of college students on free trade at next Monday evening's meeting. Dr. Kenneth Smoke led the group singing. Dr. Fred Shaffer was pianist.

Littlestown Burgess Issues Warning On Parking Violations

Burgess Roscoe W. Rittase warned today that parking in restricted parking areas must cease.

There has been a great deal of parking on the east side of Maple Ave. on Sunday morning and Rittase said this must be stopped. The borough ordinance regarding parking in restricted areas will be rigidly enforced, he asserted.

Members of Boy Scout Troop No. 84 will meet at 7 o'clock Wednesday evening at the Littlestown State Bank and the group will then go to St. Paul's Lutheran Church to attend the preaching mission service at 7:30 p.m., in a body. The Scouts are requested to wear their uniforms.

The January session of the Council of St. Paul's Church will be held Wednesday at 8:30 p.m. at the church following the preaching mission service.

Prof. King Speaks

Paul E. King, supervising principal of the Littlestown Joint School System, was the guest speaker at the meeting of the Christian Endeavor Society of St. John's Lutheran Church on Sunday evening. John Groff and Robert Porry were the leaders for the evening. Miss Evelyn Harget was pianist for hymn singing and conducted the business session. The Scripture was read by Gary Strevg. The Lord's Prayer and C. E. benediction were repeated in unison. The meeting concluded with group singing and Mary Louise Hollinger was selected to be the leader next Sunday at 6 p.m.

Members of the Littlestown Men's Chorus will meet on Thurs-

day at 6:45 p.m. at St. Paul's Church for a brief rehearsal prior to singing at the preaching mission service at 7:30 p.m.

Installation of officers will take place at the meeting of the Ladies' Auxiliary of the Fraternal Order of Eagles, Littlestown Aerie No. 2226 on Wednesday at 8:45 p.m. at the Eagles' Home, W. King St. Mrs. Edna Olinger and Mrs. Learma Bowman will serve as hostesses.

Delay Game Time

The Consistory of St. Mary's Reformed Church, Silver Run, will hold its monthly meeting Wednesday at 7:45 p.m., at the church.

The varsity basketball game scheduled for this evening at the Littlestown High School, will not begin until 8:30 p.m., due to the preaching mission service.

Large Congregation Monday

The Rev. Dr. John B. Howes, guest speaker for the annual preaching mission service being held each evening this week in St. Paul's Lutheran Church, spoke to the large congregation present on Monday evening on the parable of the fig tree, under the sermon title "Clear The Ground." Dr. Howes stated that "as the fig tree was planted to bear fruit, so God put man on earth to fulfill a purpose and the great tragedy of man's life is his failure to realize this fact. As the fig tree was not immediately cut down but was given a second chance, so too if we fail, that need not be the end. God offers everyone who has failed another chance to make good."

The Rev. William C. Karns, pastor of St. John's Lutheran Church, was in charge of the service and an anthem was sung by St. John's Choir. Mrs. Winfield A. Lippy, organist at the host church, presided at the console. The Rev. Mr. Karns offered the invocation, led the responsive reading of Psalm 34, read Luke 13:1-9, as the Scripture lesson and pronounced the benediction at the conclusion of the sermon.

The Rev. G. Howard Koons, pastor of Christ Reformed Church, will conduct the service this evening at 7:30 p.m., and Redeemer's Reformed Church choir will sing "The Rusty Plow" is the sermon subject for tonight.

On Wednesday evening, the Rev. Harvey B. Simons will be in charge of the service and the choir of his church, the Centenary Methodist Church, will sing "Reap Hook Harvest" is the sermon topic.

Lions To Omit Program

The Littlestown Lions Club will have a dinner meeting only on Thursday at 6:15 p.m. at St. John's Lutheran Church, after which the members will attend the preaching mission services in a body.

There will be no meeting of Den No. 4 of the Cub Scouts on the usual meeting night, at the home of den mother Mrs. Kathryn Hahn, this week, but the regular weekly meetings will be resumed next week.

Mrs. Herman E. Keefer and son, John, Gettysburg R. D.; Mrs. Raymond Reed and daughter, Ruthetta, Littlestown R. D., and Miss Suzanna Hafer, Shippensburg, returned from a recent motor trip to Sedalia, Mo., where they visited Mrs. Keefer's daughter and Mrs. Reed's son, Mr. and Mrs. Carroll Reed, and daughter, Debra Louise, who was born on December 10.

PLACED IN JAIL

John H. Morgenweck, of Baltimore, charged with disorderly conduct by borough police on Saturday night, was lodged in the Adams County Jail until Sunday when he put up forfeit bail for hearing before Justice Robert P. Snyder today.

Bernard R. Hewitt, Gettysburg R. 5, and Paul G. Shure, Harrisburg, both were given 10-day notices to appear before Snyder on charges of reckless driving brought by borough police on Friday.

FRED G. KLUNK IS RE-ELECTED AT NEW OXFORD

Fred G. Klunk was re-elected president of the New Oxford Borough Council at its reorganization meeting Monday evening at the New Oxford fire house.

The session began after outgoing Burgess Stewart V. Walker administered the oath of office to the newly elected members of council, Cletus J. Billman, Paul H. Harbaugh and President Klunk. Burgess Walker also administered the oath of office to his successor, Burgess-elect Guy A. Staub.

H. S. Griffin was named as vice president; C. P. Keefer was re-elected secretary and John M. Acker was re-named as treasurer.

Because only one candidate was named for each office, the new officers of council were elected by acclamation.

Borough Manager Joseph Be-

venour was reappointed for another two year term.

Council moved to apply to the State Department of Highways asking the rebuilding of Carlisle and Hanover Sts. in New Oxford.

Council also authorized the finance committee and the secretary of council to negotiate a loan not exceeding \$4,000 from the Farmers and Merchants Bank of New Oxford to cover a deficit incurred in the improvement of S. Orange St. Bills and salaries totalling \$1,032.86 were approved.

Among those attending the meeting were Councilmen Klunk, R. W. Rohrbaugh, Griffin, John S. Smith, Paul H. Harbaugh, R. W. Wolfe and C. J. Billman, Burgess Guy A. Staub, retiring Burgess Stewart V. Walker, Borough Officer Walter E. Bemiller, Secretary Keefer and Treasurer Acker.

REPORTS TROUSERS STOLEN

Ward Houck, Elizetown, reported to borough police Saturday morning at 10:50 o'clock that two pairs of trousers had been stolen from his car while it was parked in Lincoln Square between 3 and 4 p.m. on December 12.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

FIFTY YEARS AGO

New's Year Day: The New Year
was ushered in Gettysburg by the
Boys' Drum Corps parading the
streets at midnight and by the
usual amount of shooting.

There was little excitement about
town during the day, even the fox
chase failing to bring forth much
entertainment. In fact the chase was
a "fizzle" there being no one with
hounds to participate. Consequently
the animal was given its freedom
in the Diamond and when liberated
was so badly scared that it simply
stood and looked in amazement.
Finally it scampered off at a slow
pace and was soon picked up by
Russell Herrihan.

Late in the afternoon a clay
pigeon match was held in Tawney's
field, which was participated in by
a number of marksmen of town.
The match was won by Richard
Thomas with Adam Myers as a close
second.

Taken to Hospital: Dr. George A.
Stock yesterday accompanied Mrs.
Elizabeth McClean to St. Joseph's
Hospital, Lancaster, where he will
assist Dr. Davis in performing an
operation. Mrs. McClean is the lady
who met with a serious accident
at the home of A. Ritter, recently.

Will Be Married January 14th:
Dr. and Mrs. John A. Swope, of
Washington, D. C., formerly of this
place, have issued invitations to the
wedding of their daughter, Miss
Blanche Mitchell, to Henry Mirich,
also of Washington, the ceremony
to take place at the bride's home,
1312 N. Street, at noon on Thursday,
January 14th.

A Delightful Event: John Wisotz-
key, son of Mr. and Mrs. E. P.
Wisotzkey who is home from Mt.
St. Mary's College, Emmitsburg, for
the holidays vacation, was tendered
a most enjoyable surprise by his
numerous young friends of town
Monday evening. John was greatly
surprised, but as he is equal to al-
most any emergency, he immediately
proceeded to make his callers at
home, and a most delightful evening
was spent.

**New Home For Old Women To Be
Constructed at the Alms House in
the Near Future:** It has been de-
finitely decided that a new build-
ing will be erected at the Alms
House by the County Commissioners
for the maintenance of the poor, un-
fortunate old women now there and
who may hereafter be compelled to
make that their home.

A new building has been recom-
mended by several Grand Jurors and
the present Board under a
written recommendation urged the
construction of the building.

Stricken With Paralysis: Mrs.
Eliza Harner, who is living with
her daughter, Mrs. Alfonza Long, at
Littletown, fell in the kitchen to
the floor heavily, the result of a
stroke of paralysis last Monday. She
is able to be around again. Her
right foot is bruised and she has lost
control of it.

Coldest Weather In Many Years:
During the past few days we have
been experiencing extremely cold
weather in this section. Early yes-
terday morning the thermometers
in Gettysburg and surrounding
county registered variously from 18
to 26 degrees below zero, the coldest
point being at the Bender farm
where the mercury stood at 26 de-
grees below. Our oldest citizens state
that the wave is the coldest experi-
enced here for the past twenty
years.

Dislocated Shoulder: John Heck,
son of Henry Heck, living east of
Wolf Hill, in Mountjoy township,
met with a painful accident last
Wednesday.

He was mounted on a spirited
horse when the animal frightened at
some object, started to run and got
beyond control of Mr. Heck. The
animal finally plunged against a
wire fence causing it to stop sud-
denly. So sudden was the halt that
Mr. Heck was thrown to the ground.
The result was that Mr. Heck had
his left shoulder dislocated and
sustained several cuts and bruises.
Dr. J. B. Scott rendered surgical
attention.

First Collector to Settle: James R.

Today's Talk

By GEORGE MATTHEW ADAMS

STUMBLING AND STAMMERING

We are none of us perfec-
tionists. Most of us stumble and
stammer, taking detours without
reason, and often becoming con-
fused. I was once asked to give a
short talk at the Town Hall in New
York City, the meeting being ar-
ranged to pay tribute to George
Grey Barnard, the great American
sculptor. I walked out upon the
platform and had said a few sen-
tences when a man in the rear of
the hall called: "Louder!" I was
so confused that I cut my talk
short and took my seat in the
audience. A lady, sitting behind
me, leaned forward and whispered:
"Mr. Adams I couldn't hear a word
you said but I thought it was
wonderful!"

The late Ramsay MacDonald,
former Prime Minister of England,
was a sweet spirited man, who had
a remarkable wife. She was ad-
vised to speak at a small village
in Scotland. When the other speak-
ers became nervous and begged to
be let off, it was told to Mrs. Mac-
Donald and she said: "It will be
all right. They won't be afraid of
me. I will stumble and stammer,
and they will sympathize and help
me out." That is what happened.
I remember attending a luncheon
when many famous people in the
theatre were asked to speak. Many
of the talks were dull and unin-
teresting. Then the beloved Frank
aeron was called upon. He rose,
smiled, and talked about "mother"
(Mrs. Bacon) and the little things
about his life and art. He started
to sit down but they all cried: "Go
on, go on!" People don't mind hon-
est stumbling and stammering, if
the heart keeps bubbling!

At a mass meeting in Chicago at
Orchestra Hall, at the time when
Theodore Roosevelt was nominated
for President on the Bull Moose
Party, a day or so before, many
prominent people spoke. The hu-
morist, George Fitch, walked to the
edge of the platform and stood for
a few minutes as though confused.
Then he said quietly: "I am from
Peoria!" The crowd yelled.

Tomorrow Mr. Adams will talk
on the subject: "Trampers."

SURPRISE PARTY
"I'll see you Wednesday night," I
said.
And that was most unwise.
The party, planned some weeks
ahead,
Was meant as a surprise.

Since on my conversation flows
And none to stop me cares,
I added: "It is one of those
Black tie and tux affairs."

"Next Wednesday night," he said
to me.
"I have another date."
He was the one surprised to be,
I realized too late.

Well, he's a faithful friend and
true.
This fact I put in print.
He said when asked, "Surprised
were you?"
"I'd not the slightest hint."

Pics Prove Horses
Can Wear Snowshoes

VANCOUVER (AP)—Some horses
have been taught to use snowshoes
on northern British Columbia win-
ter trails and Morley Shier has
produced snapshots of horses so
quipped to convince doubters.

Shier said he first saw a horse
on snowshoes in 1919 when he was
hiking from Stewart, B. C., to Pre-
mier Mine.

Later he saw several pack trains
of horses with snowshoes and was
given one of the shoes by J. (Bill)
Crawford, Stewart merchant.

Shier said at one time round
boards were used. Now horse snow-
shoes are a circle of 3-4 inch pipe,
12 inches in diameter, with chains
to the centre and clips for the toe
and side.

At first a horse is troubled, but
soon learns the trick of putting one
shoe over the other in walking on
snow. When a shoe gets loose, the
horse will stop, look back and wait
for an adjustment.

WILL BARGAIN
CLEVELAND (AP)—The Brother-
hood of Locomotive Engineers has
agreed to bargain nationally start-
ing January 6 for pay increases from
139 railroads.

Members employed by 92 other
railroads will continue separate
negotiations while those on still an-
other 13 roads will recess talks to
await results from the joint bargain-
ing.

Township, was the first and only
collector to settle his accounts for
1953 with the County Commis-
sioners. As Huntington is quite a large
township, Mr. Neely is to be con-
gratulated on his promptness.

An Enjoyable Event: On Monday,
Dec. 28th, Mrs. Peter Thorn, residing
on West Middle Street, rounded out
the 71st year of her life. In honor
of the event her many friends and
relatives gave her a surprise party,
which proved to be a very enjoy-
able event.

427 FATALITIES
OVER HOLIDAY

By THE ASSOCIATED PRESS

Accidental deaths during the
three-day New Year's weekend set
a new record for similar holiday
periods but were far short of the
heavy total during the Christmas
weekend a week earlier.

At least 311 died in traffic ac-
cidents during the 78-hour period
from 6 p.m. (local time) Thursday
to midnight Sunday. Another 40
were killed in fires and 76 died
in miscellaneous mishaps, for a
total of 427.

The record for a three-day New
Year's weekend was 424, set in
1949-50 and equaled the following
year. The record number of traffic
deaths for such a period was 304,
set in the 1949-50 period.

The total traffic deaths appar-
ently will fall far short of the Na-
tional Safety Council's first esti-
mate that 360 would die on the
highways and streets during the
New Year's weekend.

The holiday weekend traffic total
surpassed the figures for a non-
holiday weekend obtained in an
Associated Press test survey early
in December. That total was 310.
With 40 fire and 89 miscellaneous,
the overall total was 427.

Baby Sitter Calls
Fire Truck, Cops But
Only Burp Needed

PAWTUCKET, R. I. (AP)—A baby
sitter's frantic report that a baby
was choking to death brought a
fire truck, two police cars and a
utility company emergency car to
a home last night.

First in was Fire Capt. Eugene
J. Monahan, a father. He took one
look at the gasping infant, picked
him up and burped him.

The baby sitter—a bachelor un-
cle—apologized profusely.

Youthful Drinker's
Crimes Are Revealed

COLORADO SPRINGS, Colo. (AP)—
He was tipsy and he was sup-

friends.

The lady of the house called the
police.

They confirmed her suspicions:
he'd been drinking—and he was
9 years old.

The boy and his companions ad-
mitted they had taken two pint
bottles of whisky from a drug
store. Questioning disclosed four
watches had been stolen from an-
other store.

Police gave the boys a stiff
lecture and released them to their
parents.

Bullets At Westminster Wednesday; Wagner Here Saturday; Frosh To Open

The Gettysburg College varsity and freshman cagers will engage in their first two bills of the season Wednesday evening when the Bullets invade Westminster for contests with the Western Maryland Terrors.

Both teams will also be in action here Saturday when the Bullets regulars clash with Wagner while the frosh meet the Stewartstown Boys Club in the preliminary.

Victors in four of six collegiate engagements this season, the Bullets are favored to turn back Westminster. The Terrors have been unimpressive to date, one of their defeats being an 89-65 reverse at the hands of Mt. St. Mary's.

Coach "Hen" Bream will probably stick to his regular starting lineup of Bill Snyder, Johnny Habebe, Jack Keller, Joe Lang and Dick Hockenbury.

The Bullets have a 3-2 regular season mark and are averaging 73 points per game. At present Gettysburg ranks fifth among the nation's small colleges in foul shooting with 125 conversions in 175 attempts for a 71.4 per cent average. Habebe is the pace-setter in individual scoring with 107. The Bullets are also ranked second in fewest personal fouls per game, 14.8.

Freshman Squad
Johnny Yovincin will take a 15-man freshman squad to Westminster. The yearlings recently lost the services of Bill Ward, 6-4, Frederick, for the season when he fractured a bone in his foot. He had been scheduled as a starter.

The frosh squad will be made up of the following: Jack Bream, 6, former Gettysburg High and Mercersburg Academy star; John Cleaver, 6, Lansdowne; Raymond Fergie, 5-11, Enola; Carl Frederick, 5-10, Pottstown; Gerald Gasser, 6-1, Berwyn; William Hagerman, 6-1, Pittman, N. J.; Art Hendley, 6-1, Baltimore; Poly; Les Koppelman, 6-1, Cheltenham; Wally Kulligowski, 6-1, Camden, N. J.; Charles Metzger, 5-10, Pennington Prep; Harvey Muma, 6, Hempfield, Pa.; Jonathan Peck, 6-3, Radnor; Joe Robinson, 6, Harrisburg Catholic; John Schleicher, 6-2, Bontion, N. J.; and Rodney Shuff, 6-3, York.

DUKES CREEP UP ON KENTUCKY; INDIANA THIRD

By BEN PHLEGAR

NEW YORK (AP)—Duquesne's towering Dukes crept up on Kentucky in this week's Associated Press basketball poll but the all-winning Wildcats held on to first place by a narrow margin of 81 points.

They led by 150 points a week ago but Duquesne's sweep through 11 straight games and the Garden Holiday Festival in New York sent the Dukes' stock soaring. Duquesne and Kentucky both won again last night after the polls closed. The Wildcats have won 8, Duquesne 12.

Indiana stayed in third place and Minnesota in sixth but the rest of the positions underwent a thorough shakeup, mainly as a result of holiday tournaments.

Oklahoma Moves Up
Oklahoma A&M, winner of the All-College Tourney at Oklahoma City, moved up from fifth to fourth, and Western Kentucky, seventh a week ago, jumped to fifth after winning the Louisville Invitational. Western has taken 12 straight this season.

Holy Cross broke into the top 10 in seventh place as it ran its record to 8-0 in winning the Sugar Bowl Tournament at New Orleans. The biggest advance, however, was by Duke, winner of Raleigh's Dixie Classic. The Blue Devils were unranked a week ago. This week they finished eighth in the voting by 99 sports writers and broadcasters. Ten points were awarded for a first-place vote, vote, nine for second, etc.

Oklahoma City moved up from 11th to ninth and Oregon State, beaten twice in three games in the Dixie Classic, dropped from fourth to 10th.

Illinois, North Carolina State and Fordham, 8, 9 and 10 a week ago, dropped out of the top 10.

LAND OWNERS, HUNTERS FORM ORGANIZATION

Fred Green has been elected president of the newly-formed Natural

Dam Sportsmen's Club of landowners and hunters.

The other officers of the organization are: Vice president, Allen Walker; secretary, Mel Burton, and treasurer, Grover Yingling. Members of the executive council are John Heiser, James Pisel and Wilbur Waybright. The following have been appointed to a committee on procurement of game and supply: Vernon Derr, James Wenschow, Harry Marling, Lloyd Yingling, Charles Graham and Harold Leatherman.

The announced purpose of the organization is "to establish better relations between landowners and hunters, to improve hunting in general and to give farmers and landowners better protection for their stock and property."

Maurice J. Swetland spoke at a recent meeting of the club when a constitution and by-laws were adopted. Chester Schriver, a deputy game warden, also spoke. Hayward McClellan was named liaison officer between the club and the State Game Commission.

Officers say the area represented by members of the club includes parts of Freedom, Cumberland and Mt. Joy Twp., totaling about 9,000 acres. Over 60 landowners have participated in the formation of the club. The include the following: Samuel McNaughton, Wilbur Baker, Walter Simpson, Robert Bishop, James Wenschow, Ernest Plank, the Rhodes estate, Lloyd Rothaupt, Sizer Burton, Fred Green, Russell Derr, Robert Tipton, Lester Sentez, Jim Riley, Russell Durbarow, Charles Gerrick, Melvin Leatherman, Grover Yingling, Clarence Mehrling, Howard Johnson, Harry Yingling, Lloyd Leatherman, Bush Horner, John McClellan, Flem Hoffman, John Fleishman, Harry Almony, Allen Walker, Kenneth Hill, Wilbur Waybright, Harold Green, Charles Bishop, Emory Bishop, Paul Reaver, Clarence Waybright, Stewart Witherow, Howard Waybright, Charles Graham, Jess Hoffman, Daniel Yingling, Junior Ridinger, Armer Leatherman, Doctor Beegle, Clarence Nails, Marjorie Scott, John Heiser, Glen Tipton, John Marling, Clarence Marling, Herman Marling, Lynwood Brown, Maurice J. Swetland, Charles Spriggs, Anna Wenschow, Oliver Waybright and Julia Rhodes.

An executive council meeting was ordered for Wednesday evening, January 27.

FARM SYSTEM OF ATHLETICS IS REORGANIZED

PHILADELPHIA (AP)—Three

minor league clubs have been dropped, one added and a third shifted in a reorganization of the Philadelphia Athletics' baseball farm system.

Bernie Guest, the American League club's farm director, announced the changes yesterday, commenting, "there is no point in having a lot of clubs that we cannot man with major league prospects."

Williamsport, Pa., of the Class A Eastern League; Fayetteville, N. C., of the Class B Carolina League; and Cordele of the Class D Georgia-Florida League were dropped from the system.

The A's picked up Lancaster, Pa., of the Class B Piedmont League and shifted their Class C Provincial League franchise from St. Hyacinthe to Drummondville, Ont.

Guest also named managers of five of the clubs remaining in the Athletics' fold.

They are:

Clyde Kuntz, Savannah, Class A South Atlantic League; Kemp Wicker at Lancaster; Hank Bissett at Drummondville; Jack Crosswhite at Welch of the Class D Appalachian League; and Ed Wright at Hopkinsville of the Class D Kitty League.

N.Y. YANKS WIN PRESS TITLE AS TOP '53 TEAM

By JOHN CHANDLER

NEW YORK (AP)—The New York Yankees who won an unprecedented fifth straight American League pennant and followed up with their fifth consecutive World Series championship were voted the outstanding team of 1953 today in the 23rd annual Associated Press year-end poll.

As they have monopolized baseball, so have the Bronx Bombers swept top honors in the AP poll, for this is the fourth consecutive year that Casey Stengel's men have been voted "Best Team of the Year."

It was a runaway for the Yankees, who received 79 first place votes from a total of 125 ballots cast by the nation's sports writers and sportscasters.

The Yankees, who defeated the Brooklyn Dodgers in the World Series 4 games to 2, rolled up 289 points on a 3-2-1 basis.

The University of Maryland, unbeaten in 10 regular season football games and named 1953's No. 1 college team in the AP poll last month, edged the Cleveland Browns for second place. Maryland had 10 first place votes, while the Browns got 13, but the Terrapins had sufficient second and third place support to run up 109 points to 106 for Cleveland.

This year's poll was similar to 1952 in one respect—a college football team was second to the Yankees. However last year, with 45 first place votes, Michigan State came much closer to the Yankees, who had 65.

The unbeaten but once-tied Notre Dame football team, sixth in the 1952 poll, was fourth this time, followed by the Indiana basketball team, Big Ten and NCAA champion; the Milwaukee Braves, who shifted from Boston and were in the National League pennant race, finishing second; the Detroit Lions, National Football League champions for a second straight year; the Minneapolis Lakers, National Basketball Assn. champions; the Navy crew, unbeaten in two years of competition; and Brooklyn's National League champions.

The Sunbury association, headed by Basse A. Beck, will bid for the open franchise at a meeting of Piedmont League officials here tomorrow night.

Sunbury's chief competition will probably come from Richmond club owner Eddie Mooers, who has indicated he is thinking of shifting his Class B operations to Colonial Heights, Va., about 20 miles from Richmond.

Richmond Jump Assured
Richmond's jump in baseball ranks was assured when City Council agreed last night to make municipally-owned Parker Field available as a home park for the team.

That was the only obstacle to the tentative triple-A franchise awarded last month to Harry C. Seibold, local industrialist who will operate the club. The former Springfield, Mass., team will be moved to Richmond.

Seibold last month purchased the territorial rights from Mooers, who had operated the Class B team since 1932.

Would Be 3rd Team
The Sunbury group voted Dec. 21 to purchase the Piedmont franchise after Beck said it was offered to the Pennsylvania city by Frank L. Summers, Piedmont president.

If the Sunbury bid is successful, it would bring the third Pennsylvania city into the three-state league. Lancaster was admitted Dec. 2 to replace Roanoke, Va., which dropped out last summer, and York, Pa., joined the league for the 1953 season after the collapse of the Interstate League.

MANY HOMES
(Continued from Page 1)
was the total estimated value of the structures to be built by the 86 permits issued in 1951 but that amount included \$403,000 for the Gettysburg College chapel and \$200,000 for a dormitory at the seminary. Thus the amount expended in 1953 marks a far greater amount

for homes and business place alterations and construction than at any time during the last four years. The value listed for construction in 1950, according to the permits granted in that year was \$544,315.

Burgess Weaver's report for 1953 shows that three of the homes built were in the \$6,000-7,000 class; a seven in the \$9,000-10,000 class; six in the \$11,000-12,000 range; three in the \$13,000-15,000 price range. One was for \$35,000, another, \$18,000 and another \$16,000.

Business concerns spent \$353,150 during the year for new construction or alterations. Among the larger outlays were \$135,150 for the new Murphy building; \$90,000 for the Bar-Tal plant, and \$58,000 for the Gettysburg National Bank addition.

1-Platoon System To Stay In Rules

CINCINNATI (AP)—The National

Collegiate Athletic Assn., after a day of dilly-dallying in Executive Committee sessions, gets down to business today at its 46th annual convention.

The American Football Coaches Assn. and the NCAA Television Committee are slated for executive sessions, but no drastic recommendations for changes are expected from either.

Coaches, with 1954 rules topping their agenda, are tipped to string along with the one-platoon system, with proposals to liberalize substitutions to some extent. Some also want to do away with the four-minute rule at the end of the second and fourth periods, forcing an "all-the-way" game under the same set of rules.

Ike Says U.S. Using Every Available Means To Maintain Prosperity In Radio TV Talk

By JACK BELL

WASHINGTON (AP)—Close associates say President Eisenhower is determined to solve the farm price problem as one of the first steps in carrying out his pledge of "constantly increasing prosperity for all."

In a radio-television report to the people last night, the President said his administration is using "every legitimate means available to the federal government" to maintain property and will continue to do so as long as is necessary.

Asserting that his administration does not believe in a "boom-and-bust America" in which prosperity hinges on war or threats of war, he said the program he will lay before Congress in his State of the Union message Thursday will be keyed to federal help.

Not "Pit-In-The-Sky"

"It is a program that does not deal in pie-in-the-sky promises to all, nor bribes to a few, nor in threats to any," he declared. "It is a program inspired by zeal for the common good, dedicated to the welfare of every American family—whatever its means of livelihood may be or its social position or its ancestral strain or its religious affiliations."

In outlining the past year's accomplishments, he said ground-work has been laid to sustain basic prosperity "in the strong belief that the federal government should be prepared at all times—ready at a moment's notice—to use every proper means" toward that end.

He said a program of sound planning and aggressive enterprise must be accompanied by "a faith which cannot be shaken by self-appointed peddlers of gloom and doom" in America's growth and progress.

Claim Farm Prices Halted

This was an obvious thrust at some Democrats, like Senators Douglas of Illinois and Kerr of Oklahoma, who have said the country already is in a recession and may be headed for a real depression.

Eisenhower claimed a halt in to-bogganing farm prices as one of the accomplishments of his administration in its first year. Presumably he referred to an Agriculture Department report last week which said that after months of decline, average farm prices were up slightly in mid-December.

Members of Congress said the President had stressed in conferences on his program the need for action on the farm front.

In this connection, it was reported.

Easy Way to Break Bad Habit of Constipation

Many people become intensely worried and frightened if they do not have at least one bowel movement a day. They expect dire consequences and ascribe numerous unrelated symptoms to their constipation.

They complain of such symptoms as: biliousness, coated tongue, bad taste in mouth, flatulence, nausea, abdominal distention, headache, dizziness, moderate rise of temperature.

Medical books warn that irritating cathartics generally are to be condemned. Doctors prescribe a new tablet guaranteed to break the laxative habit. You can buy it without prescription under the name of INERGEL. Get relief from even the most stubborn constipation. INERGEL tablets are sold by

SOUTH KOREANS, COMMUNISTS OPPOSE COUNT

By JOHN RANDOLPH

SEOUL (AP)—Bitter enemies—South Korea and the Communists—were allied today in all-out opposition to a head count of anti-Communist war prisoners by Indian troops, a procedure warmly endorsed by the U. N. Command.

ROK Foreign Minister Pyun Yung Tai and North Korean Lt. Gen. Lee Sang Cho used almost the same language in condemning the head count.

But as Pyun told a news conference today, his motives and those of the Communists "are as far apart as two stars."

Branded As "Illegal"

The Indian command made what it called a routine head count of 4,384 Chinese prisoners Thursday. While the count was under way, 135 asked to be returned to Communist China.

The Communists promptly branded the head count illegal—a word used today by Pyun.

"It is illegal and arbitrary—it is a criminal action," he said.

"Our government has come to

the stage where we cannot be quiet."

"Armed Red Explainers"

He called the Indian guards "armed Communist explainers" who are forcing the prisoners to return to the Communists.

The Indians said the head count was made to check its prisoner rosters. And the U. N. Command gave the count its full blessing, saying it is entirely in accordance with the U. N. principle of free choice for prisoners if any of them ask repatriation as a byproduct.

Observers here said the Reds appear to feel that any de facto screening, even though some prisoners ask to return, undercuts their contention that POW interviews which ended Dec. 23 should be extended. The Reds also contend that all prisoners should be kept in neutral custody until a peace conference decides their fate.

BONN, Germany (AP)—Prosperous West Germany set a new post-war record in home-building during 1953. The government said today 475,000 new dwellings were built. This pushed the total number of houses put out since 1949 to 1,700,000.

PHILADELPHIA (AP)—Samuel R. Hursh, who started with the Pennsylvania Railroad as a chairman after graduating from Pennsylvania State University, has been named chief engineer.

Two-Year-Old Law Regulating Size Of Gasoline Price Signs Is Declared Unconstitutional

PHILADELPHIA (AP)—The Pennsylvania Supreme Court has ruled unconstitutional a two-year-old law regulating the size of gasoline price signs.

Upholding previous action by the Dauphin County Court, the Supreme Court in an opinion written by Chief Justice Horace Stern held the Legislature "may not arbitrarily interfere with private business."

The law was passed in 1951 during a flurry of gasoline price wars throughout the state.

"Since there is nothing in law to prevent the vendor of gasoline from selling it at the price he pleases," wrote Justice Stern, "there is no reason why he should not be allowed to advertise such price."

Partners Were Fined

The high court action specifically concerned the case of service station partners Charles Gambone and Charles S. Gambone of Norristown who were fined for violating the sign law. The two won an appeal in Dauphin County Court but the

commonwealth appealed to the Supreme Court.

Other major opinions handed down at the opening of the Supreme Court's winter session yesterday included:

1. A ruling that a county court had no jurisdiction to order a private school to grant academic credits to an expelled student.

2. Dismissal of an appeal from the Pittsburgh foster parents of a six-year-old boy and placing him in custody of his mother.

Nurse Was Expelled

In the school case, a student nurse at the Mercy Hospital of Johnstown, Mary Catherine Strank, asked the court to order that the hospital grant her credit for completed work so she could transfer to another institution. After two years of training, Miss Strank was expelled from Mercy Hospital for staying out overnight without permission.

Since Miss Strank's case was predicated upon a contractual relationship, the court ruled, "it is not within the general class of controversies entrusted to the

Court of Common Pleas."

In the custody case the court held that six-year-old Lawrence Buckner, who had been living with foster parents, Robert and Leona Barr, since his parents separated five years ago, should be returned to his mother—Mrs. Eleanor Buckner Eastman.

Divorce Ruling

Divorce proceedings awarded custody to the mother after the youth's father, Kenneth Lee Eastman, had given his son to the Barr couple. The Barrs refused to give him up, contending their affection for their foster son has widened and deepened during the foster-parent relationship.

Justice Allen M. Stearns said in an opinion: "Defendants may not successfully contend that their custody should continue because of the length of time during which their affections have widened and deepened, where they have been instrumental in prolonging final decision of the court."

Wants McCarthy's Budget Slashed

WASHINGTON (AP)—Sen. Ellender (D-La.) said today he will appeal to the Senate to "cut down to size" the spending budget of Sen. McCarthy's permanent investigations subcommittee.

Simultaneously, four newspapers reported that the Eisenhower administration has been urging McCarthy (R-Wis.) to concentrate on investigating waste and corruption, leaving searches for subversives primarily to others, and that McCarthy is said to have agreed. Accounts to that effect were carried by the New York Times and Herald Tribune, the Washington Post and the Baltimore Sun.

'54 FORD the "worth more" car declares a dividend

Here Tomorrow!

**STYLE
DIVIDEND**

3 distinctive lines — 14 brilliant body styles

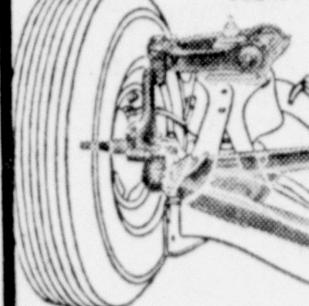

You just ought to try the '54 Ford... the car that brings a whole new set of value features to the low-price field. You'll find that each new feature is an extra dividend in driving enjoyment. And each new dividend establishes Ford, even more in '54, as the "Worth More" car.

You get a special dividend in styling, for example, with Ford's distinctive new appearance... smooth, clean lines. You get sparkling new interiors, too, that are a dividend in themselves. And each of the new Fords gives you special dividends in ride and performance... with new Ball-Joint Front Suspension, the greatest advance in chassis design in 20 years... with your choice of Ford's new low-friction Y-block V-8 or I-block Six, the most modern engines in any car today!

With 28 brilliant new models to choose from, you'll find the exact car to suit your tastes and requirements. Come in and see the '54 Ford. Test Drive it. Once you try it, you'll want to drive it home.

RIDE DIVIDEND

New Ball-Joint Front Suspension

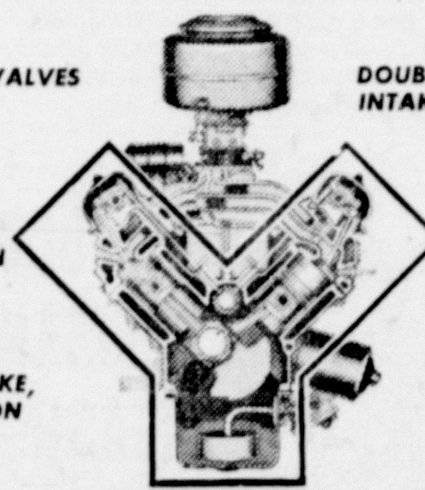

This revolutionary new suspension is exclusive to Ford in its field. It allows greater up and down wheel travel for a smoother ride... helps keep wheels in true alignment for consistently easy handling. Movement of wheels is on ball joints, whether in up and down motion or in steering motion as wheels turn right or left.

The greatest engine advances since the original FORD V-8

TWENTY-TWO YEARS AGO Ford introduced to the low-price field a fine-quality precision-engineered V-8 engine. And now, with its 22 years' experience in building over 13,000,000 V-8's, it is only logical that Ford is first in its field to introduce a brand new type of V-8—the Y-block V-8... together with the most modern Six in the industry—the new and advanced I-block Six.

Both new 1954 Ford engines have overhead valves for most efficient high-compression operation on today's fuels. Both engines have a

deep-cast block with skirt that extends well below the crankshaft for greater strength and rigidity... smoother, quieter performance and extra-long engine life. Their modern short-stroke, low-friction design cuts friction losses... gives you more usable horsepower, more miles per gallon of gasoline. And new high-turbulence combustion chambers assure more efficient firing of fuel.

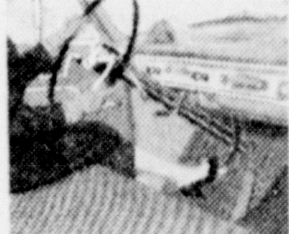

Plan to Test Drive a '54 Ford. You'll find these new Ford power plants stand out as the greatest engine advances since the original Ford V-8.

Plus five optional power assists* you might find only in America's costliest cars

Master-Guide Power Steering
It does up to 75% of your steering work for you, when you need it. Makes parking a pleasure. Yet it leaves you with the normal feel of steering on straightaways. In addition, it cushions out steering wheel "shock" on rough roads.

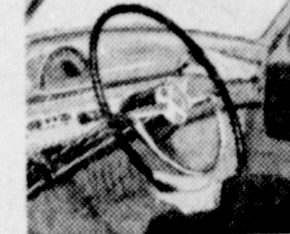

Swift Sure Power Brakes
Power does up to one-third of the work of stopping for you! You are more relaxed in the stop and go driving of congested traffic. And should the system ever lose its power, "stopping" effort is the same as with conventional brakes.

Power-Lift Windows
Smooth, silent electric power opens or closes windows at the touch of a button. There's a master control beside driver plus an individual control under each window. You may operate any of the Power-Lift Windows safely while driving.

4-Way Power Seat
Push one of two controls and front seat goes up or down... push the other and it goes front or back. It's a real convenience when different people have to drive—or when you want to change position to relieve fatigue or avoid sun glare.

Fordomatic Drive
It combines the best in "automatic" engineering to give you the most versatile automatic shifting. You get the smoothness of a fluid torque converter, the "go" of an automatic intermediate gear. Ford also offers gas-saving Overdrive.

SENATE TO GET BRIEFING ON DEFENSE PLANS

WASHINGTON (AP)—Sen. Saltonstall (R-Mass.) said today top defense officials will be called "just as soon as possible" to give the Senate Armed Services Committee a detailed briefing on new administration defense policies.

Saltonstall, chairman of the committee, voiced complete confidence in President Eisenhower's decision to withdraw two U. S. divisions from Korea.

That decision has been assailed by some Democrats, who planned to question the President about it at a White House session today.

But Sen. Stennis (D-Miss.), a member of the Armed Services Committee not invited to that conference, said in a separate interview that a reported administration plan to reduce the size of the Army, Navy and Marine Corps was a move "in the right direction" and that he had no quarrel with the plan to reduce U. S. ground strength in Korea.

Sen. Monroney (D-Okla.) last week demanded a thorough study by Saltonstall's committee of the troop withdrawal decision and all aspects of the administration's "new look" defense policies.

TWO WORK ON TAX PROGRAM

WASHINGTON (AP)—Secretary of the Treasury Humphrey and Rep. Daniel A. Reed (R-N.Y.) have opened a series of conferences to try to fashion a tax program on which Republicans can unite for 1954.

The two leaders conferred privately on Sunday, met again at the White House Monday, and reported

State Court Revives 46-Year-Old Law Suit

RALEIGH, N. C. (AP)—Although all the original parties are long since dead, the lawsuit in which they became embroiled 46 years ago is still alive.

J. M. Lewis and wife filed the suit in 1907 against S. W. Harris and wife. The Lewises claimed the Harrises had entered their property and removed timber valued at \$300. The defendants denied the charge saying they owned part of the property.

The case dragged on until 1917, but there was no action from 1917 until 1953 when M. M. Banks acquired the Lewis property and revived the case. He asked that descendants of the Harrises be made defendants, and got a court order forbidding them to enter the property.

Another judge decided it was time to end the case and he dismissed it. However, the State Supreme Court recently gave it new life by ruling that the judge exceeded his authority.

NIGHT ATTACKS HIT RED LINES

HANOI, Indochina (AP)—French fighters and bombers resorted to moonlight attacks early Monday to hit coolie supply lines to the Communist-led Vietnamese forces threatening an assault on the French-

edly scheduled further talks on the touchy tax issue.

Reed, chairman of the tax-writing House Ways and Means Committee, already has called for more and bigger tax cuts than the Eisenhower administration has been willing to accept so far.

Just how far the two men get in trying to reconcile their positions will largely determine whether tax issues will become a major battleground within the GOP in this congressional campaign year.

fortified plain of Dien Bien Phu. The enemy-surrounded position just north of Laos is the last French stronghold in the mountainous Thai country of northwestern Indochina.

The Vietnamese have been moving their coolie convoys mostly at night in an effort to escape air attacks.

The Communist command has

not yet attempted to launch its long-expected major assault.

The first 100 of 297 French Union prisoners of war released by the Vietnamese as a Christmas gesture straggled into Hanoi yesterday. The men, mostly Moroccans, Senegalese, foreign legionnaires and a few from France, were thin and tired. Most needed medical attention.

BURNS FATAL TO WOMAN, NIECE

HUNTINGDON, Pa. (AP)—A woman and her young niece died in Huntingdon Hospital Monday night from burns suffered in an explosion and fire in a rural home in Wayne Township, Mifflin County, near the Mifflin-Huntingdon County border.

The victims were Mrs. Dora Katherine Diven, 38, wife of Allen Diven, and Judy Larue Bigler, 2½. Both suffered third degree burns.

The explosion and fire occurred in the home of Mr. and Mrs. Clair Kenneth Bilger and Diven families gathered for a family dinner. Judy was the Bilgers' only daughter.

Bilger said the fire in the kitchen stove became low and he poured some kerosene into it, causing the explosion. The resulting fire ignited the clothing of Mrs. Diven and the child, who were standing near the stove.

Other members of the two families beat out the flames but not before both the woman and child were severely burned.

The Newton-Wayne and McVeytown fire companies responded to the alarm but were unable to save the four-room bungalow. Bilger estimated the damage at \$5,000.

SCRANTON, Pa. (AP)—Convicted of involuntary manslaughter in the fatal shooting last Easter Monday of Margaret Grunik, 23-year-old Jessup factory worker, Andrew Moncak, 35, Peckville plumbing contractor, Monday was sentenced to 6 to 12 years in prison by Judge Otto P. Robinson.
